

## Billy Bathgate

The perilous, thrilling world of Billy Bathgate, the brazen boy who has insinuated himself into the inner circle of the notorious Dutch Schultz gang to become good-luck charm, apprentice, and finally protege to one of the great murdering gangsters of his time. In a prose that astonishes with its lyric intensity, Billy makes us intimates of his fateful adventures within the world of Dutch Schultz. As we move with him into ever deeper dimensions of horror and exhilaration, as he offers up his soul ever more recklessly, Billy reveals this world to us as the brutal, eroticized, farcical, and morally startling place that it is.
