

Miss Zukas and the Library Murders (Miss Zukas Mysteries)

When a dead body turns up right in the middle of the fiction stacks, the police are baffled. But Helma Zukas, who never fails to make note of the slightest deviation from the norm of everyday life, is tracking some baffling questions of her own. With the help of her not-so-proper best friend, Ruth, a six-foot-tall bohemian artist with a nose for gossip and a penchant for getting into trouble, the two are soon in hot pursuit of the truth... and getting lost enough to find themselves about to become the killers' next victims.
