

Bronc Man (Leisure Historical Fiction)

Cal Vesper is a bronc rider. He knows what it means to hold on tight and never give up--and that's exactly what he plans to do now. When the raiders swept into town, Cal was just getting to know Anna. By the time the raiders left, the town was in flames, Cal was left for dead...and they'd taken Anna with them. It took Cal a while to heal up enough to ride, but all that time he had only two goals in mind: Get Anna back...and kill as many of the raiders as he can.
