George Young never thought of himself as a detective, but that's pretty much his vocation -- an attorney at a top insurance firm, he pins down suspicious claims. But Mrs. Corbett, the rich, eccentric wife of the firm's founder, has it in mind to put George's skills to a peculiar assignment. With only a few months to live, her one desire is to know the true circumstance of her son Rogers' violent death. George will have to take a few chances to get to the bottom of it.
