

## My Gun Has Bullets

When Beverly Hills Police Officer Charlie Willis pulls over a speeding Rolls Royce hell-bent for Neiman Marcus, hes surprised to see Esther Radcliffe, the geriatric star of the TV series Miss Agatha, behind the wheel. Hes even more surprised when she guns him down and keeps on driving. A few hours later, he wakes up in the intensive care unit to find a William Morris agent, a network president, and the head of Pinnacle Studios standing at the foot of his bed. They have a proposal for him: in exchange for conveniently forgetting who shot him, theyll make him the star of his own series, My Gun Has Bullets. So Charlie trades in his real badge for a fake one and so begins an uproarious but deadly romp through the wonderful world of TV make-believe with real bullets. To make it to sweeps week, Charlie will have to survive two homicidal stuntmen, a rabid celebrity dog, a hit man-turned-producer, a psychotic old lady, a sex-crazed blackmailer, and vicious ratings with only a stunning, leather-clad Baywatch beauty to help him. It will make you cackle like a sitcom laugh track. Goldberg keeps the gags coming right up to the end. -Entertainment Weekly A very funny novel a pinch of Carl Hiaasen, a dash of Donald Westlake, and a heaping portion of avarice and inanity Hollywood Style. Its boffo! -Thomas Gaughan, Booklist A rousing send-up of everything and everyone in the world of show-biz. -Judith Kreiner, The Washington Times
