

Heart of Desire

When young actress Sarah Kowalski accepts a role to play the part of a strict dominatrix, some first-hand research is called for. She is introduced to the mysterious Dominique, who trains her in every aspect of the art of forbidden games. Sarah takes delight in inflicting her new-found skills of dominance on willing subjects. But a mystery is about to unfold. Mark Westerham is a man with a difficult job. He is powerful and articulate but has a weakness for pretty young women. When he is called on to look into the fraudulent activities of a film company, his investigations lead him into a liaison with Sarah which proves to be explosive. Together they unleash desires which neither can control.
