

The Uncollected David Rakoff: Including the entire text of Love, Dishonor, Marry, Die, Cherish, Perish

Bestselling and Thurber Prizewinning humorist David Rakoff was one of the most original, delightfully acerbic voices of his generation. Here, in one place, is the best of his previously uncollected material most never before published in book form. David Rakoff's singular personality spills from every page of this witty and entertaining volume, which includes travel features, early fiction works, pop culture criticism, and transcripts of his most memorable appearances on public radios *Fresh Air* and *This American Life*. These writings chart his transformation from fish out of water, meekly arriving for college in 1982, to a proud New Yorker bluntly opining on how to walk properly in the city. They show his unparalleled ability to capture the pleasures of solitary pursuits like cooking and crafting, especially in times of trouble; as well as the ups and downs in the life-span of a friendship, whether it is a real relationship or an imaginary correspondence between Gregor Samsa and Dr. Seuss (co-authored with Jonathan Goldstein). Also included is his novel-in-verse *Love, Dishonor, Marry, Die, Cherish, Perish*. By turns hilarious, incisive and deeply moving, this collection highlights the many facets of Rakoff's huge talent and shows the arc of his remarkable career. With a foreword by Paul Rudnick.
