

## Why Some Positive Thinkers Get Powerful Results

Norman Vincent Peale, the man who taught America how to think positive thoughts, now takes you one step beyond the remarkable principles outlined in his previous books. He offers a straight-talking, step-by-step, scientifically sound system for turning self-doubt into self-esteem, obstacles into opportunities, and thought into action. He shows you how to meet bigger challenges, realize your fondest dreams, and achieve success in every aspect of your life! You will learn:

- \*10 rules for setting and achieving goals
- \*4 creative factors that lead to successful outcomes
- \*a 4-part daily prescription for peace of mind
- \*a 3-point formula for getting rid of depression
- \*6 positive thoughts to eliminate destructive habits
- \*a 3-part blueprint for spiritual and physical health
- \*the single most important step toward becoming a positive person
