

Wuthering Heights (Collectors Library)

Wuthering Heights tells the story of a romance between two youngsters: Catherine Earnshaw and an orphan boy, Heathcliff. After she rejects him for a boy from a better background he develops a lust for revenge that takes over his life. In attempting to win her back and destroy those he blames for his loss Heathcliff creates a living hell for those who live at Wuthering Heights. This tale of hauntings, passion and greed remains unsurpassed in its depiction of the dark side of love. With an Afterword by David Pinching
